## PAID INTERNSHIP!!!

**YOU ARE LOOKING FOR INTERNSHIP IN INTERNATIONAL COMPANY? THEN JOIN US!**

Helisota is an international provider of integrated maintenance, repair and overhaul (MRO), training services for rotorcraft aviation. The company is an EASA Part 145 and Part 147 organization as well an authorized Mil Helicopters , Robinson R44 and Airbus Helicopters H120, H135 and H145 service center. Based on ISO 9001:2008 certified services and products, Helisota supports various government and private rotorcraft operators from 25 countries worldwide.

Currently we are looking for students, who would be interested in international sales and would help us to find potential customer's contact information and sales opportunities, to perform initial potential customer's needs analysis through „cold calls“, to work with existing customer's database .

If you are proactive, fluent in Spanish, French or Russian language, know how to work with Microsoft Excel and want to gain a deeper knowledge in international sales, this internship is for you!
