

Will you shape the future of work or it will shape you?

At EY, your insight and value will be applied to solve some of the most complex problems of the business world. For a truly global perspective, there's no place else to be.

The better the question. The better the answer.
The better the world works.

Auditor Assistant

Everything you will do will come back to providing special audit activities for our clients. As an Audit Assistant, you will work on various audit engagements in different industry sectors in which EY is acknowledged as a market leader. As you build your knowledge and experience, you will become a credible auditor, influencing clients and engagement teams on resolutions that will impact entire industries.

What we expect from you is:

- Drive on finance
- Curiosity and keeping up with finance and business news
- Motivation and willingness to grow as an expert in audit
- Proper mix of strong communication and interpersonal skills as well as analytical and critical thinking skills
- Strong academic record including the university degree in economic/finance/ accounting or related area
- Ability to work full time
- Excellent spoken and written Lithuanian and English, Russian is an advantage
- Willingness to travel

What we offer to you is:

- Faster than ever growth of your personal and professional skills
- Boost the potential of your finance and business knowledge by working on a large scale and challenging projects with some of the most well-known companies
- Work in an international environment and flexibility
- Work with a bright, friendly, energetic team
- The mentor and buddy, who will help you to develop and grow

You will start your career at 24th of August, 2018. First, you will go for 2 weeks trainings and then will join the team in Vilnius office. You can apply if you are a last year student and do not have lectures, graduate or have work experience.
