

# LOOKING FOR COPYWRITER

Workplace: Kaunas, Lithuania

At Hostinger, our main goal is to bring ideas, brands, and businesses to life online. With a team made up of true technology professionals, we provide top-notch web hosting services to over 29 million customers worldwide. We are a fast growing company with offices operating in Lithuania, Cyprus, Singapore, Indonesia, Brazil, Spain and India.

Hostinger is always willing to hire and develop the best and brightest talent to ensure it stays ahead of its competitors in the web hosting game. If you are able to highlight the best of Hostinger through the power of writing, then we want you!

## WHAT YOU WILL BE DOING:

- Writing clear, original and eye-catching content for web, social media etc.;
- Proofreading articles, checking grammar and spelling;
- Performing copy editing based on feedback;
- Researching industry-related topics and ideas.

## WHAT WE EXPECT FROM YOU:

- Exceptional English writing skills;
- A creative personality with a passion for learning;
- Copywriter expertise;
- Interest in latest trends of technology and social media;
- Ability to generate ideas and multitask.

## WHAT WE OFFER:

- A challenging opportunity in a rapidly growing international company;
- Anything needed for your continuous professional development, including access to the world's best conferences, relevant training courses, reference books, team building activities, and workshops;
- A fast-paced working culture which values high standards;
- A modern office with a roof garden for working and relaxing;
- An internationally experienced and friendly team;
- Other motivational perks such as healthy snacks and fruits, coffee, team lunches, birthday prize wheel, and much more!
