

LOOKING FOR MARKETING ASSISTANT

Workplace: Kaunas, Lithuania

Hostinger is a world-class web hosting platform made up of curious and high-spirited team of technology professionals. Our main goal is to bring our ideas, brands, and businesses to life online. We are a fast growing company with offices operating in Lithuania, Cyprus, Singapore, Indonesia, Brazil, Spain and India and we need you to join us!

Hostinger is always willing to hire and develop the best and brightest talent to ensure it stays ahead of its competitors in the web hosting game. If you are starting your career in Digital Marketing and know how to unlock the full potential of SEO, keep reading!

WHAT YOU WILL BE DOING:

- Analysing websites' SEO metrics;
- Building backlinks;
- Developing appealing content to attract traffic;
- Carrying out keyword research.

WHAT WE EXPECT FROM YOU:

- Exceptional English writing skills;
- A creative personality and passion for learning;
- Basic knowledge of backlinks, keyword research, and SEO;
- Ability to generate ideas, multitask, and work independently.

WHAT WE OFFER:

- A challenging opportunity in a rapidly growing international company;
- Anything needed for your continuous professional development, including access to the world's best conferences, relevant training courses, reference books, team building activities, and workshops;
- A fast-paced working culture which values high standards;
- A modern office with a roof garden for working and relaxing;
- An internationally experienced and friendly team;
- Other motivational perks such as healthy snacks and fruits, coffee, team lunches, birthday prize wheel, and much more!
